

CITES Certificate			
	DATE	PAGE	
According to the Convention on International Trade in Endangered Species of Wild Fauna & Flora (CITES Convention)	11.21.2017	1 of 1	

ScentAir #	Product Name
All	ScentAir Fragrances

We certify that, to the best of our knowledge, and at the date of issue of this certificate, the above fragrance compound:

- does not contain any material of Appendix I (species threatened with extinction which are or may be affected by trade : is subject to particularly strict regulation)
- does not contain any material of Appendix II (species although not necessarily now threatened with extinction may become so : is subject to strict regulation)
- does not contain any material of Appendix III (species included at the request of a Party that already regulates trade in the species and that needs the cooperation of other countries : International trade is allowed only submitted to documentation)

Note on Aniba rosaeodora (Rosewood) and Bulnesia sarmientoi (Guaiacwood): the CITES secretariat interprets the CITES annotation to mean that Fragrance compounds and cosmetic products are excluded.
